## ADVISORY

### Taxation and Revenue Department to Reopen Office Monday, December 27

Santa Fe – Secretary of Taxation and Revenue Jan Goodwin announced today that the Santa Fe District office would reopen on Monday, December 27. The department was forced to close down its office inside the Manuel Lujan building due to a break in a water main inside the building on December 18.

“I am happy to announce that it will be business as usual for TRD next week” Goodwin said, “While there is extensive water damage to the building and some of our equipment – the building has passed safety inspections and will be reopened to the public.”

The water line broke sometime Saturday afternoon flooding the basement floor of the Manuel Lujan building. The building houses the department’s Revenue Processing Division and the Audit and Compliance Division District office.

The public and employees are asked to call (505) 827- 0803 or go to [www.state.nm.us/tax](http://www.state.nm.us/tax) for daily updates regarding the status of the building.
